PREPARE TO SHARE!

Before you begin fundraising, take time to reflect on why you're going to World Youth Day 2027 and what you hope God will do through this pilgrimage. You may write a short 2–3 sentence story that explains why this journey matters to you. Return to this as you prepare, financially, logistically and spiritually. It will also help you as you share your hopes with others and invite them to accompany you on the journey to WYD through their financial generosity and their prayers.

SAVE A THIRD

Saving a little each week can go a long way.

If you save $100 per week, in six months you'll have saved around $2600!

A part-time or casual job will allow you to save money regularly and steadily. If you don't have a job already, World Youth Day is the perfect incentive to find one! Once you have a source of income, there are plenty of great ways to save small amounts every day.

HERE ARE SOME IDEAS:

- Open a savings account dedicated to your ticket and transfer a set amount each week.
- Make your coffee or other drink of choice at home and save money on each cup.
- Make a money-saving chart.
- Cut a subscription service you don't need.
- Avoid unnecessary purchases and focus on how excited you are for WYD!
- Go to free events instead of expensive ones.
- Get creative! Find fun and clever ways to save and always keep your goal in mind.

FUNDRAISE A THIRD

Team up with friends, your youth or young adult group and plan how you will fundraise with your parish priest and community. Your community wants to support you and want to give young people amazing opportunities like WYD where you get to encounter Jesus and go deeper in faith. So, ask for their help!

FUNDRAISING IDEAS INCLUDE:

- Car washes
- Lawn mowing for your neighbours
- Sausage sizzles
- Fun runs / Colour runs
- Cake stalls
- Raffles
- Trivia nights
- Chocolate drives

BE SPONSORED A THIRD

Reach out to your network—family, friends, parishioners—through:

- A crowdfunding page
- Social media
- Email or direct messages

Your parish priest or community leader may know people who are willing to sponsor your pilgrimage by donating a significant portion of the cost. Have a chat with them and they can advise you on the best way forward.
With a good-looking social media tile, you might use this suggested caption:

Hey! My name is… and I'm going to World Youth Day 2027—a gathering of young people from all over the world with Pope Leo. It will happen in Seoul, South Korea in August 2027, and I'd really appreciate your help in getting me there! WYD brings together millions of young people to celebrate their faith, strengthen their sense of belonging to the Church, and foster personal encounters with Christ. Your support will help cover my registration costs and make a difference to my journey of faith—thank you!
